

# HOUSEHOLD HAZARDOUS WASTE, ELECTRONICS, AND TIRE COLLECTION DAY

## Accepted Hazardous Waste Items

|                         |                            |                     |                    |
|-------------------------|----------------------------|---------------------|--------------------|
| Antifreeze              | Mothballs                  | Pesticides          | Spot removers      |
| Rechargeable batteries  | Water-based paint (Latex)  | Herbicides          | Varnish            |
| Chemistry sets          | Oil-based paint            | Fertilizers         | Wood preservatives |
| DDT                     | (enamel, alkyd)            | Pool chemicals      | Old gasoline       |
| Degreasing chemicals    | Oils and acrylics          | Solvent based       | Brake fluid        |
| Drain cleaners          | Oven cleaners              | cleaning products   | Roofing tar        |
| Fluorescent light bulbs | Paint strippers & thinners | Solvent based glues | Driveway sealer    |

## Non-Accepted Hazardous Waste Items

EMPTY CONTAINERS OF ANY KIND, INCLUDING THE ITEMS ABOVE

|                               |                           |                       |
|-------------------------------|---------------------------|-----------------------|
| Alkaline household batteries  | Construction debris       | Motor oil             |
| Ammunition                    | DEA controlled substances | Propane tanks         |
| Asbestos (including shingles) | General trash             | Radioactive compounds |
| Automotive batteries          | Materials containing PCBs | Recyclables           |
| Compressed gas cylinders      | Medications               | Yard waste            |

## Accepted Electronic Waste Items

|                      |                      |               |                    |
|----------------------|----------------------|---------------|--------------------|
| Computers & monitors | Printers             | Fax machines  | Stereo equipment   |
| Computer accessories | Gaming devices       | Video & audio | Video players      |
| Cables & all IT      | Network devices      | equipment     | Cameras            |
| accessories          | Computer peripherals | Phone systems | Security equipment |
| Storage devices      | Circuit boards/cards | Projection    | Receivers and      |
| Computer power       | Media speakers       | equipment     | transmitters       |
| supplies             | Scanners             | Televisions   | Answering machines |

## Non-Accepted Electronic Waste Items

|   |                       |                 |
|---|-----------------------|-----------------|
| Appliances - Small: coffee maker, iron, hair dryer, toaster, vacuum cleaner |                       |                 |
| Appliances - Large: dishwashers, dryers, stoves, washing machines           |                       |                 |
| Devices containing mercury: thermostats, switches, medical devices          |                       |                 |
| Devices containing freon: refrigerators, air conditioners, dehumidifiers    |                       |                 |
| CO2 detectors   | Fluorescent lamps     | PCB ballasts    |
| Dehumidifiers   | Gas-powered equipment | Smoke detectors |
