Schuyler County Veterans Service Agency is offering this program to our veterans of the Armed Forces our appreciation for their sacrifice and commitment to our freedom. Schuyler County has one of the largest veteran populations in New York State. This is why the program is so important. Upon completing this Merchant enrollment application and mailing it back in our addresses provided. The Business will be posted on our database and on our County website. Giving our veterans the easy access to your local business information and the discounts being provided to them all in one place. The local business will also be provided to our Veterans Office. In hopes to encourage our veterans out and about within our community with generous discounts and service. Being provided to them because of because of their honorable acts of serving our country. Schuyler County Veterans Service Agency will not be generating revenue from "Return the FAVOR" Program. This Program is purely to give back to our veterans showing them our gratitude throughout of community. We are hoping that you will join us in giving back. Veterans will need to provide adequate ID issued VA healthcare, license, Dept of Defense ID examples will be provided with acceptance letter.
